## School Mission

---

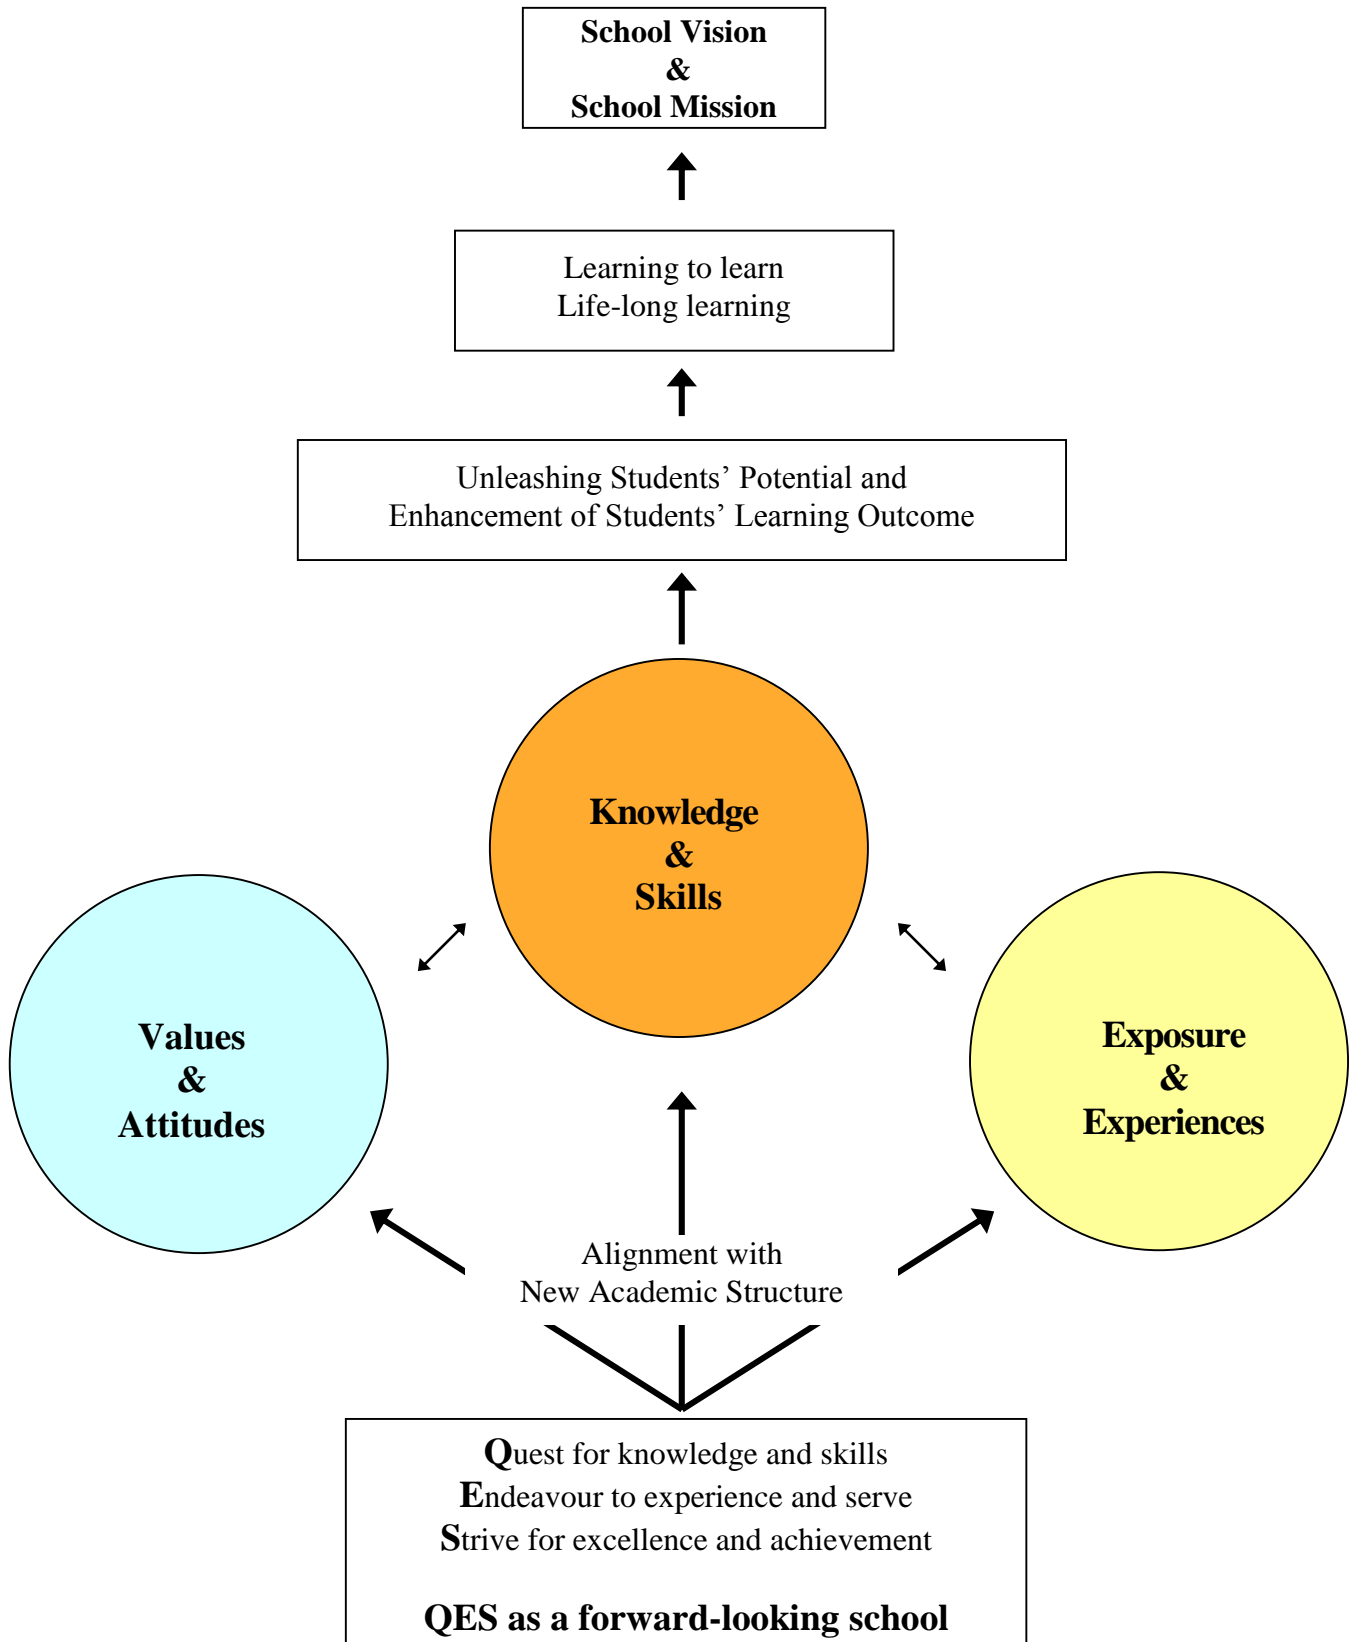

**O**ur mission is to provide an all-round education to promote the moral, intellectual, physical, social and aesthetic development of students. Through a well-balanced curriculum and a positive learning environment, we offer students opportunities for realizing their potential to the full and growing in a sense of self-discipline, civic responsibility, concern and respect for others as well as commitment to the common good in their service to home, country and humanity.

# School Vision

## (2015/16 to 2017/18)

---

---

# School Development Framework (2015/16 to 2017/18)

---

Unleashing Students' Potential and  
Enhancement of Students' Learning Outcome

through

*Major Concern Programmes,*

*Programmes of Subject Departments and Functional Teams*

and

*Each and Every Lesson*

built on

Enhanced Curriculum Design, Pedagogy & Assessment  
& Teachers' Professional Development

Cascading Effects with Whole-School Approach

Alignment  
Engagement  
Empowerment

*Onwards with Strength and Vitality into a School of Excellence*

# Holistic Review

## Effectiveness of the previous School Development Plan

Major Concerns	To what extent are Targets achieved	Follow-up action	Remarks
1. To enhance teachers' effectiveness as facilitators of students' academic pursuits and whole person development (through teachers' self-initiated and school-based professional development programmes)	(Mostly achieved)	(will be incorporated as routine work in promoting teachers' professional development)	

# Holistic Review

## Effectiveness of the previous School Development Plan

Major Concerns	To what extent are Targets achieved	Follow-up action	Remarks
<p>2. To nurture students as confident and self-directed learners with fully developed potential (through launching the TOP whole person development programme)</p>	<p>Targets related to:-</p> <ul style="list-style-type: none"> <li>- Learning Culture (Partly achieved)</li> <li>- Self-directed Learning Skills (Partly achieved)</li> <li>- External Support Services to enhance effectiveness of Learning (Mostly achieved)</li> <li>- Training programmes for different types of learners (Mostly achieved)</li> <li>- Learning Resources (Mostly achieved)</li> </ul>	<p>(The promotion of Learning Culture and Self-directed Learning in the School will continue to be targets in the major concerns in the next SDP)</p>	

## Holistic Review

### Evaluation of the School's Overall Performance

PI Areas	Major Strength	Areas for Improvement
1. School Management	<ul style="list-style-type: none"> <li>- Platforms like the school website and report provides transparent and accountable school management</li> <li>- Development priorities based on student needs and self-evaluation findings</li> <li>- Effective mechanism to coordinate implementation of tasks</li> <li>- Various channels like the panel head cum functional team meetings help enhance communication and collaboration</li> <li>- Financial and human resources well deployed</li> <li>- Crisis management team regular meets to review measures to handle exigencies</li> <li>- School self-evaluation effectively implemented, effectiveness of tasks evaluated at different levels, and evaluation report provides feedback to staff,</li> <li>- Self-evaluation culture well fostered</li> </ul>	<ul style="list-style-type: none"> <li>- Better coordination between teams and staff to reduce stress to students</li> </ul>
2. Professional Leadership	<ul style="list-style-type: none"> <li>- Visionary school leaders and knowledgeable middle managers committed to school improvement</li> <li>- Regular meetings to share vision for school development, students' learning outcomes and whole-person development enhanced through school plan strategies</li> <li>- Good professional development records of staff</li> <li>- Good support to basic rank teachers through mentoring system</li> <li>- Duties assigned to staff according to their abilities and school needs</li> <li>- Teacher professional development plans drawn up by school, department and staff</li> <li>- Well-established staff appraisal system to help teachers for continuous improvement</li> </ul>	<ul style="list-style-type: none"> <li>- Working relationship between school management and staff could be further improved</li> <li>- Middle managers to play a greater role in school administration</li> <li>- Opportunities for professional sharing and collaboration could be further extended</li> </ul>

PI Areas	Major Strength	Areas for Improvement
<b>3. Curriculum and Assessment</b>	<ul style="list-style-type: none"> <li>- Curriculum planning well aligned with education development and students' needs, broad &amp; balanced academic and non-academic curriculum framework</li> <li>- School-based curriculum implementation data-driven, , implementation closely monitored by panel heads</li> <li>- Well-established policy of continuous assessment and test and examinations</li> <li>- Informative feedback from teachers on student assignments, peer assessment encouraged in classroom learning</li> <li>- CPR and PIE model widely adopted to evaluate the effectiveness of curriculum implementation</li> <li>- Reviews in panel meetings, lesson observation and performance in examinations used to inform curriculum planning</li> </ul>	<ul style="list-style-type: none"> <li>- Insufficient collaboration of KLAs</li> <li>- Variety and quality of students' assignments could be further enhanced to unleash students' learning potentials</li> </ul>
<b>4. Student Learning and Teaching</b>	<ul style="list-style-type: none"> <li>- Contents of lessons and learning activities well designed to meet teaching objectives</li> <li>- Good delivery and communication skills for teachers and students respectively, effective classroom management, opportunities for participation and interaction</li> <li>- Appropriate feedback to help students improve (e.g. using sample work from students)</li> <li>- Group discussions and peer learning frequently used in lessons</li> <li>- Opportunities to extend their learning (e.g. inter-school competitions)</li> </ul>	<ul style="list-style-type: none"> <li>- Learning attitude and motivation vary between classes and levels</li> <li>- Some students not able to apply learning strategies well, can improve on independent learning, lack the drive to strive for excellence</li> <li>- Engaged in classroom activities but not doing well in homework assignments</li> <li>- Need to further motivate students' interest in academic learning and set higher goals for achievements</li> </ul>
<b>5. Student Support</b>	<ul style="list-style-type: none"> <li>- Different means for school to identify students' varied needs and provided follow-up support</li> <li>- Special learning programmes for high-achievers, low achievers, non-Chinese and SEN students</li> <li>- Good peer and teacher-student relationships, liberal school environment</li> </ul>	<ul style="list-style-type: none"> <li>- Strengthening support of low achievers required in view of growing number of students with emotional problems</li> </ul>

<b>PI Areas</b>	<b>Major Strength</b>	<b>Areas for Improvement</b>
<b>6. Partnership</b>	<ul style="list-style-type: none"> <li>- Parent education courses offered, large number of parents mobilized by PTA to support school activities, ample channels for parents to express opinions</li> <li>- Many external links explored to support student learning, good support from alumni network</li> </ul>	<ul style="list-style-type: none"> <li>- Optimization of resource support from alumni and parents required</li> </ul>
<b>7. Attitude and Behaviour</b>	<ul style="list-style-type: none"> <li>- Generally well-behaved and disciplined</li> <li>- Good self-concept, improving motivation towards learning</li> <li>- Will to serve the community</li> <li>- Good interpersonal relationships</li> </ul>	<ul style="list-style-type: none"> <li>- Students reflective of their self-discipline, unhealthy life style and stress from tests and examinations</li> <li>- Development of their positive values required</li> </ul>
<b>8. Participation and Achievement</b>	<ul style="list-style-type: none"> <li>- Satisfactory performance in internal examinations and TSA</li> <li>- Good participation and performance in ECA / OLE</li> </ul>	<ul style="list-style-type: none"> <li>- Room for improving performance in HKDSEE and JUPAS admission</li> <li>- Learning outcomes and achievement in ECA could be further enhanced</li> </ul>

# SWOT Analysis of the School (June 2015)

---

## STRENGTHS

- ✧ Harmonious campus atmosphere with excellent peer relationships, strong sense of belonging (close bonding between senior and junior students)
- ✧ Experienced, knowledgeable and subject-trained teachers
- ✧ Academically capable students with high motivation for learning and potential to achieve academic excellence
- ✧ Good resource support from PTA, OSA and alumni

## WEAKNESSES

- ✧ Students' moral values and discipline
- ✧ Students' self-learning capacity and reading habits
- ✧ Students' leadership, time-management and generic skills
- ✧ Students lack perseverance and determination to strive for academic excellence
- ✧ Collaboration and job satisfaction amongst teaching staff

## OPPORTUNITIES

- ✧ Introduction of young teachers add drive and energy to the teaching team
- ✧ New resources available to support teaching and learning – campus TV, WIFI900 (e-learning), careers funding (careers and life-planning)
- ✧ External educational resource support to school (e.g. QSIP, Healthy School Programme)
- ✧ Learning opportunities outside classroom, including exchange programmes with top schools in Hong Kong (modeling effect)
- ✧ Fund and grants available for students with special needs or financial difficulties to widen their learning experience and exposure

## THREATS

- ✧ Teachers overloaded with teaching and non-teaching duties
- ✧ Imbalance ratio of boys and girls (discrepancy in intellectual development)
- ✧ Weak family support for some students
- ✧ Increasing learner diversity
- ✧ Wrong matching in selection of subjects and more free lessons for students (loss of learning time) under NSS curriculum

# **School 3-year Development Plan**

**(2015/16 – 2017/18)**

## **Major Concerns**

---

1. To fully develop students' academic potential through optimization of teaching strategies and promotion of self-directed learning
2. To foster students' positive attitude and commitment to their personal development, school and community

## School Development Plan (2015/16 – 2017/18)

**Major Concern 1: To fully develop students' academic potential through optimization of teaching strategies and promotion of self-directed learning**

Targets	Outline of Strategies	Time Scale		
		15/16	16/17	17/18
1.1 To ensure the effectiveness of teaching	1.1.1 To set clear performance goals for both teaching and learning and devise concrete measures to attain them	✓	✓	✓
	1.1.2 To enhance teachers' teaching skills through professional collaboration, staff development programmes and professional sharing	✓	✓	✓
	1.1.3 To fully utilise the e-platform and engage students in high-order learning activities	✓	✓	✓
	1.1.4 To provide assessment as learning through regular review of assignments	✓	✓	✓
1.2 To promote students' self-directed learning and improve their academic performance	1.2.1 To enrich students' learning experience through learning activities and opportunities beyond classroom	✓	✓	✓
	1.2.2 To optimize support for low achievers through peer sharing and group learning	✓	✓	✓
	1.2.3 To promote reading by strengthening the reading schemes	✓	✓	✓
	1.2.4 To employ 'flipped classroom' and other learning strategies	✓	✓	✓

**Major concern 2: To foster students’ positive attitude and commitment to their personal development, school and community**

Targets	A General Outline of Strategies	Time Scale		
		15/16	16/17	17/18
2.1 To help students develop positive attitude to learning and activities	2.1.1 To promote core values in formal curriculum in different subjects, class-based activities and mass programmes	✓	✓	✓
	2.1.2 To conduct assessment in ECA and review performance improvement measures to better facilitate students’ whole-person development	✓	✓	✓
	2.1.3 To promote experiential learning including service learning	✓	✓	✓
	2.1.4 To conduct comprehensive assessment of students’ participation in extra-curricular programmes, using the target-oriented approach	✓	✓	✓
2.2 To help students develop a sense of responsibility, thankfulness, perseverance and respect for others and strengthen a sense of belonging to school and the community	2.2.1 To organize talks, workshops and personal growth programmes to promote the positive values	✓	✓	✓
	2.2.2 To empower more students to be competent and responsible leaders	✓	✓	✓
	2.2.3 To encourage students to participate in various social service programmes and activities	✓	✓	✓
2.3 To help students set clear goals for learning and life planning and do reflection regularly	2.3.1 To conduct life-planning programmes through talks, visits, group and individual counselling	✓	✓	✓
	2.3.2 To monitor the setting of personal goals and cultivation of class spirit through class-based activities	✓	✓	✓
